

**REMARKS**

In response to the Notice of Non-Compliant Amendment, dated August 13, 2008, the entire corrected "Amendments to the Specification" section of applicant's amendment of June 25, 2008, is being resubmitted. Accordingly, the non-compliant part of that amendment has now been corrected. The claims section and the remarks section of applicant's amendment of June 25, 2008, are still applicable and are incorporated herein.

Reconsideration of the rejections of record in light of present response in conjunction with applicant's amendment of June 25, 2008, and allowance of all of the claims now present in the case are earnestly solicited.

Respectfully submitted,
